

Public notice

HIGHWAYS AGENCY THE A27 TRUNK ROAD HOLMBUSH INTERCHANGE TO HANGLETON WEEKEND OVERNIGHT CLOSURES

NOTICE IS HEREBY GIVEN that the Secretary of State for Transport intends to make an Order on the A27 Trunk Road, in the County of West Sussex and the City of Brighton and Hove, under section 14(1)(a) of the Road Traffic Regulation Act 1984 because works are proposed to be executed on the road.

The effect of the Order would be to authorise weekend overnight closures of both carriageways of the A27 from its junction with the A270 at Holmbush Interchange to its junction with the A293 at Hangleton. This would be in the interests of road safety to enable contractors to undertake routine maintenance work in Southwick Hill Tunnel.

It is expected that the work would take place approximately once a month on Friday and Saturday nights between 2000 and 0700 hours.

The Order would come into force on 1st April 2007 and have a maximum duration of twelve months.

During the closures, eastbound traffic would be diverted at Holmbush Interchange via the A270, east on the Old Shoreham Road and north on the Hangleton Link (A293) to rejoin the A27 at Hangleton; westbound traffic would follow the same diversion route in the reverse direction.

The carriageway closures and diversion route would be clearly indicated by traffic signs throughout the works periods.

Ms H Batty

Traffic Operations Directorate
