

# **CONTRACT FOR THE SUPPLY AND CONSTRUCTION OF "THE LONGEST BENCH", LITTLEHAMPTON**

Arun District Council (the Council) is seeking expressions of interest from suitably qualified organisations wishing to tender for the "The Longest Bench Project" to be constructed on Littlehampton Promenade.

The project is currently the subject of a Town Planning application, the outcome of which will be determined in November 2009. If successful, the project should commence December 2009 and be completed March 2010. The Council cannot guarantee that the contract will proceed until Planning Permission is obtained. The Council will not be responsible for the costs associated with submitting tenders, neither will these costs be reimbursable. The contract award, subject to Town Planning approval, will be based on the most economically advantageous tender.

If your organisation is interested and can demonstrate the appropriate capacity and experience in providing similar works, please submit these details to the address below. The closing date for receipt of expressions of interest is 12.00 noon on 2 October 2009.
