

# **LANCING PARISH COUNCIL**

## **EXPRESSIONS OF INTEREST**

The Council is seeking written expressions of interest from qualified and experienced companies for tender consideration on the following work.

Buried World War Two concrete block defences are becoming exposed and causing a safety hazard at Beach Green, Lancing. Beach Green is a public open space bounded by the sea and the A259.

An independent underground survey has been completed and the Council now requires fully appraised and costed options to remedy the safety hazard and completion of the approved option.

Send application with details of your company and of similar work with three referees to Mr R Wickens, Clerk to the Parish Council, Lancing Parish Council, The Parish Hall, South Street, Lancing, West Sussex, BN15 8AJ.
